#### FARMERS' PETITION TO CONGRESS

To the Wheat Growers: Please cut out the following petition along dotted lines, attach it to a blank paper, get all of your neighbors to sign, fill in the number of your congressional district and mail to your congressman.  
All newspapers please copy.

We, the undersigned, petitioners of \_\_\_\_\_ congressional district, respectfully ask in our behalf and in behalf of our government that you work and contend for an increase in the price of wheat to Two and 50-100 Dollars (\$2.50) per bushel at the local shipping points for the 1918 and 1919 crops.

We beg to submit for the following reasons therefor:

- 1st. On account of the extreme high cost of labor, plows, binders, twine, fertilizers, threshing and all other items used in the production of wheat.
- 2nd. The very life of the wheat industry depends upon prompt action, because the present acreage cannot be maintained at the present price of wheat.
- 3rd. Because taxes and the price of clothing, shoes and all articles of daily use have advanced greatly since the present price of wheat was established.
